- Students will maintain a report card with Satisfactory grades in Behaviour & Effort at all times
- Students will have no more than 5 unexplained absences per term
- Students will participate in the Rugby League Excellence program to the best of their ability
- School Rugby League commitments will take precedence over club sporting commitments in the event of a clash
- Maintain a very high standard of discipline and work ethic to my school studies
- Maintain a very high standard of uniform

School of Excellence – Rugby League will be studied during normal class time allocated for senior & junior subjects, as well as during additional hours in the gym and on the training field. A high degree of commitment to this course is essential and students must be prepared to sacrifice their own time for training, gym work and games, both before and after school, as well as in the evenings.

I understand failure to follow any of these conditions will lead to the termination of the scholarship. Student performance will be reviewed at the end of each term as well at other times the school deems necessary.

Scholarships are valid for a period of one (1) school year. Scholarship holders will be required to reapply at the end of each school year. Performance in the above criteria will be used to determine if the students maintains their scholarship.
